

DOMO^{SUPER} BAR

Electronica

The Domobar Super from Vibiemme is the perfect espresso machine to produce delicious café quality espresso and milk based coffees. It is placed at the prestige end of the home espresso machine.

The Domobar Super has very impressive technical commercial attributes and internal balances. It has been refined over many years to allow absolute confidence of continuous café quality enjoyment.

The commercial E61 group head offers excellent heat characteristics resulting in superb coffee with every pour. Also, the Domobar Super is renowned for its superior boiler capacity enabling a high volume of steam required for producing the optimum texturing of milk for detailed latte art.
